<b>Description</b>	<p>Has a long history as a canner of vegetables and fruits. The firm's history began in the fall of 1940, when a group of investors from Mexico City bought a small, family-run cannery and founded Empacadora del Golfo de Mexico.</p> <p>With limited resources, the company grew slowly but after 67 years of hard work, it has become one of the largest vegetable canners in Mexico. Our brands "FARO", "JAROCHITA" and "LA COMADRE", are well know and preferred by the consuming public in most of Mexico, large parts of the United States as well as in several other countries where the company is sending the products.</p>
