

## The Pacific Alliance celebrates its eleventh anniversary

Since its creation, the Pacific Alliance has been a global reference in terms of integration; proof of this is the interest that the mechanism has attracted in various regions of the world. As of today, the Pacific Alliance has 61 Observer States and has successfully concluded negotiations with Singapore, which will soon become the mechanism's first Associate State.

### The LXII Meeting of the High-Level Group (GAN) of the Pacific Alliance was held in person

At the meeting, the authorities discussed trade issues, including the negotiation process with Associated States, specifically South Korea, and the eventual adherence of Ecuador to the mechanism.
